Influenza Vaccine Shots

No appointment is necessary. Walk-ins are welcomed on a first-come-first serve basis during designated influenza clinic times.

Optional pneumonia vaccines will also be offered at this clinic for individuals 65 years and older.

Influenza vaccine will be \$25 per shot.

We accept insurance, medicare, medicaid, and cash.

Please Note

Due to the production delay of flu vaccine, supplies are limited at this time. If supply runs out during this clinic, stay updated by calling our office at 307-235-9340. Full inventory is expected by the end of November.
