

Job Announcement: Environmental Health Specialist

The **Casper-Natrona County Health Department** is seeking an Environmental Health Specialist to protect and promote community health by inspecting facilities, monitoring environmental hazards, and ensuring compliance with public health regulations.

Key Responsibilities:

- Conduct inspections of food establishments, water systems, and other facilities.
- Investigate environmental health complaints and hazards.
- Educate the public on environmental health standards and practices.
- Ensure compliance with local, state, and federal regulations.

Qualifications:

- Associate's or Bachelor's degree in Environmental Health, Public Health, or a related field.
- Strong analytical and communication skills.
- Valid driver's license required.

Salary range is \$47,292 to \$56,159. Benefits include enrollment in the Wyoming Retirement System, fair compensation, Blue Cross Blue Shield insurance including vision and dental, 13 major paid holidays, paid vacation and sick leave based on monthly accrual of 8 hours per month of each, and supplemental insurances are available. This is a non-exempt position and eligible for over time compensation.

If you are passionate about making a difference in the community and improving health outcomes, we encourage you to apply.
