

Job Announcement: Maternal Child Health Nurse

The **Casper-Natrona County Health Department** is seeking a compassionate and skilled Maternal Child Health Nurse to provide care and education to mothers, infants, and children. This role involves health assessments, community outreach, and collaboration with healthcare providers to improve maternal and child health outcomes.

Key Responsibilities:

- Conduct health assessments for mothers, infants, and children.
- Provide education on prenatal care, postpartum care, and child health.
- Collaborate with healthcare providers and community partners.
- Support breastfeeding and family planning initiatives.
- Perform home visits and community outreach as needed.

Qualifications:

- Associate's or Bachelor's degree in Nursing (RN required).
- Experience in maternal and child health preferred.
- Strong communication and patient education skills.

Salary range is \$60,819 to \$75,062. Benefits include enrollment in the Wyoming Retirement System, fair compensation, Blue Cross Blue Shield insurance including vision and dental, 13 major paid holidays, paid vacation and sick leave based on monthly accrual of 8 hours per month of each, and supplemental insurances are available. This is a non-exempt position and eligible for over time compensation.

If you are passionate about making a difference in the community and improving health outcomes, we encourage you to apply.
